Worcester Festival would like to thank the supporters, sponsors and patrons for their valuable support throughout the 2010 festival. Without their help the festival would not be possible.

The following organisations are especially thanked for their support:

FESTIVAL VOLUNTEERS AND STAFF

Worcester festival staff always go the extra mile to make the festival a success and 2010 was no exception – with staff turning out at weekends and evenings to help out as well as doing ‘the day job’.

Our volunteers in 2010 were of an exceptionally high standard and offered a contribution to the festival that made each event, day and week run smoothly with a huge sense of fun and enjoyment.

The festival organisers would like thank each of the following people, who generously gave their time free of charge over the festival fortnight.

FESTIVAL PATRONS

The festival relies on support of all kinds to enable it to run. A part of this support comes from our Festival Patrons. Far from being just a ‘donation’ scheme, our patrons support us by acting almost as ambassadors for the festival and encourage other people to get involved.

We are incredibly grateful to the following people for their support of the festival.
