

How to Make Your Own Festival Bunting – Instructions!

You will need:

- Festival flag printout – 4 flags per 1 metre strip of ribbon/string
- Ribbon or string
- A hole punch or a pencil and Blue Tac
- Blue Tac or sticky tape

Step 1:

Cut out the printed out bunting flags nice and neatly

Don't forget to take a picture of your bunting in situ and email it to marketing@worcesterfestival.co.uk to take part in our bunting competition!

Step 2:

Using a hole punch (or the Blue Tac and pencil) make holes in the top of each flag as indicated on the flag.

Step 3:

Feed the flag through the string or ribbon, ensuring that the coloured sides are all facing the same way.

Step 4:

Find a place to hang your bunting, use the Blue Tac or sticky tape to fix it up. Make sure you are careful not to damage any surfaces when using the Blue Tac or sticky tape.
