

Draw, colour or write on the leaf. About what community and charity mean to you. You could write a thank you message to people or charities that have helped you or tell us how you feel when you help someone or even create a work of art which represents what community means to you.

Please make sure you put a hole into the leaf so it can be hanged on the tree!

Design and construct a pear out of recycled household materials!

Please make sure you put a hook or hole into the pear so it can be hung on the tree!

Use anything you like, old T-shirts, milk bottles or tin foil to make your pear, make sure your materials are clean and dry and get creative!
